Annual Contest Still In Progress

Candidates for the Franciscan personality contest are being submitted to Bill Buchan, editor of the book. "The results are gratifying," said Buchan, "but I urge all club and class presidents to hurry with their selections, as the final date is November 1st."

Group pictures of organizations and clubs are scheduled for November 1st, and several weeks following. Dates will be set for the pictures as soon as the prexies contact Mr. Buchan, who will assign definite times.

"I am very pleased with the way which the seniors responded to their appointments for their pictures, and hope that all photographic work on the book will be as well scheduled," concluded Buchan.

Carrothers Heads Dance Committee; Others Assist

The Sophomore Strut, the first off-campus dance of the year, will be held October 23, at the Devonshire Country Club.

"Because of the unique setting of the Devonshire Club and the fact that it is the first off-campus dance, all should be interested in attending," said Morley Carrothers, high Soph president.

Tickets will sell for \$1.50 per couple, and will be on sale this week. The committee plans to place in the post boxes of all students mimeographed copies of the directions to the Country Club.

Music will be furnished by Nat Thomas and his band, several of the members of the band are State students.

Dance committee consists of representatives from both high and low Sophomore classes, including Morley Carrothers, High Sophomore president, Gwen Smith, Lee Scarlett, and Peggy Clifford; Billy Hammond, Low Sophomore class president, and Betty Christiansen, Esther Regier.

Completion of the final plans are under way this week.

Westminster Choir Practices For Presenting Of Programs

Westminster Club's newly formed choir held its first regular practice session yesterday at noon in Annex A 12, under the leadership of Miss Ernestine Prather. The group is rehearsing songs to sing during the Christmas holidays at the various city churches.

At present there are eighteen members in the choir, but according to Miss Prather, large turnout is expected at their next practice. Anyone interested in joining may do so by contacting Miss Prather at Box 1134.

At their regular meeting held

Warm welcome will be given Rosemary Alexander, Hal Widney and Ernest Miguet, the Alpha Phi Gamma pledges tomorrow, Hell Day, when they appear dressed in the traditional white shirts covered with newspaper slug type, and wearing the key of the organization on which they will endeavor to secure the signatures of the various members of the organization on the campus, as part of their Hell Day activities.

Pledge Captain Lew Morris has stated that the pledges will present some type of noon performance for the members of the fraternity. During the day the pledges will be encouraged in their duties in the accepted Hell Day manner.

PLEDGING ON FERRY
Part of the pledging activities will take place on the ferry boat when members of the fraternity will escort the pledges across the bay to the home of Dr. Treutlein, where the day's activities will be terminated in the official fraternity pledging.

During the evening a short business meeting will be held at which time plans for the Alpha Phi Gamma convention to be held in November will be discussed.

DANCE SUCCESS
The overwhelming success of the Post-Game Dance given by Alpha Phi Gamma in the Gym last Friday night following the Jaysee game will make it possible for the fraternity to present a much better National Convention than they expected to be able to put over. "The conduct of both State and Jaysee students at the dance Friday night was very orderly," stated Rose Marie Haas, president of Alpha Phi Gamma.

A week from Thursday, October 21, from 11 to 1, in the Women's Gymnasium, a Gala Talent Parade will be held, climaxing the first of the semester's series of rally contests.

Prizes will be offered to the winners by different classes and some of the school organizations. Judges will be a committee of faculty members who will select the winners and announce their names at the Friday noon rally.

Contestants in the finals are Howard Brubeck, Evelyn Fitzpatrick, Helen Newell, Jack Fisher, and Frances Twohig.

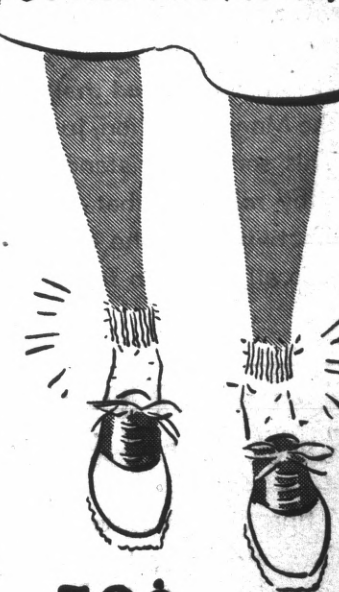

Hal Delma, State's head yell leader and manager of the Rally Talent Parade, urges everyone to attend this gala event "because it will be a combined talent parade and excursion rally."

The postponement of the Rally Talent Parade from today until next week is due to the Music Federation presenting their concert at this time.

Epsilon Mu Initiates

Epsilon Mu's annual initiation dinner was held last evening at 7 o'clock at the German House, 600 Turk Street, near Larkin. All old and new members were invited and participated in the evening's entertainment.

Editor Gets Brain Wave!

One day last week the editor got a brainstorm, and started to take action on it! (Very unusual, Watson.) And now that the "Hallucination" has reached a point of semi-maturity, the student body at large ought to know about it.

Down in Annex B (Music annex) are the recording studios. Facilities include an amplifier, several microphones, and three sound-proof rooms. Why not install a line from these studios, much the same as we did from Roberts Field for the game broadcasts, and present a regular program from our own studios, with our own talent, and air it via very co-operative KGGC?

Possibilities of such a broadcast would be virtually tremendous. The more obvious ones, enumerated:

1. Create an outlet for abundant student talent.
2. Advertise the college to bay area homes.
3. Provide a fuller use for existing facilities.

With the addition of a short, temporary line from the recording studios to the gym, we can put our basketball games, rallies, etc., on the air.

By using the proposed line from the recording studios to Frederic Burk auditorium, student shows, training school programs, etc., could be brought to the entire Bay Area!

Sounds mighty fine, and it is!

International Forum

news of the world.

The International Forum, which Mrs. Cowell is directing on Monday afternoons from four to five in Room 208, discusses and questions the news of the week.

No doubt the cultural benefits of such discussions are great, but the practical benefit of equipping students with a mature and balanced outlook on current events which will be the history of tomorrow, is direct and tangible.

Mrs. Cowell extends, to anyone interested, a very cordial invitation to appear at any of the forums.

Travel Games Covered

will be the Gater.

With the co-operation of Dean Cox, and the athletic department, a reporter will be sent to cover the Santa Rosa and Sacramento J. C. games.

It will be arranged that the stories of these games will appear in the Monday edition, just as if the games were played at home.

This sort of assistance and co-operation indicates the very healthy relations that exist between the various departments and activities on the campus. And the Golden Gater, for one, will do all it can to foster this friendly feeling!

Several Plugs And An Idea

and financial successes.

Congratulations to the people who put these dances on, and congratulations to Dean Ward for her wise action in approving them.

The success of these dances proves, beyond any doubt, that it is almost impossible to cram too many dances down the student body throat.

In the last four weeks we have had no less than eight dances open to the student body. And they all were good!

Will some progressive organization please take it upon itself to put on a "Mixer" dance, in the gym, twice a month?

Gal Forgets Figure

Tom Thorpe, he of the off-color tunes at the last rally, has garnered himself an admirer. The gal, Noreen Lordeaux, stands at the pub office rail and ganders at the "albino" at work. Snappy manner and brusque greeting seems typical of the hard-working, hard-hearted, hard-headed sports writer... which is, no doubt, what Tom is... no doubt...

Down in college theatre they're having a bit of difficulty with a line... imagine, one line breaks up the whole business for minutes on end... line: "I've got a fellow-feeling with her now"... long and raucous laughter... line changed: "I've got a sympathetic feeling with her now." hmmm.

Roy Laugesen has been frightfully absent-minded... so much so that he forgot all about being a member of the Executive Board... and when election time rolled around last year, he got himself elected to the Board of Publications, too... Not a soul realized that the lad was holding down two offices, one being on the Executive Board... which is scarcely cricket according to the constitution... so Roy's leaving publications to suffer along.

If someone on the Maintenance Department doesn't tack down the brass edges of the College Hall stairs, someone is going to fall down and break his blessed neck. Which will give someone reason, which is more than Friend Cox had, to use profane and abusive language.

Be careful, MacDonalds, I'll be quiet this time... but the Tripe-writer has a lot of space to fill... and Bill Warner: the tete a tete's in the booth are getting so regular and so close... they're almost as bad as the touching scenes between Marsh and Lois on the lawn, toying with each other's hair.

And just why was Pat Gorman trying to get the out-of-place gentleman in the palm beach suit to crash the A.P.G. dance last Friday night? And what pretty miss stood beside the Tripewriter at the door and ate seven or more of the candy samples, saying she didn't have a figure anyway? And Jim Martin... ha, ha, ha.

And when the male members of the Executive Board got out in Edith White's kitchen, during the post-meeting social held there last Monday nite, the stories continued in a scorching stream for thirty minutes, punctuated only by blasting roars and roof-lifting guffaws... of course, the flowers were wilted and the fellows had their trousers up to their knees when the gals finally broke up the session... but that yarn of Decker's about the donkies... get him to tell you...

CO-ED'S CORNER

By CAROL CROUCH

Dawn Wilson... Vice-President of the Student Body, and grandest girl we know, is in our parade too. If you don't know her, she is a slight girl, of medium height, wears glasses, and has a congenial smile. If we chose one word to describe her, it would be natural. Her sophistication is not the sappy variety so prevalent at colleges. Her attitude toward us is one of quiet understanding, and ours toward her is one of respect. Oh yes, her heart interest is (ahem) editor of Golden Gater, Clifford Worth.

ENTERTAINMENT

We're rushing down tonight to see "Les Miserables" at the Clay Theatre. It is in French, but with the help of the book, and the American version behind us we should be able to sift out the general idea. And too it will put our rusty French into use, so dust off your dictionaries and join us. (Ready Chamberlin?)

Dean's Notices

TO MEMBERS OF THE STUDENT BODY:

Owing to the fact that there are more than forty college women in need of N.Y.A. assistance who haven't been placed, it is necessary to remove from the November and December lists about forty students. This seems to be the only way in which a fair amount of assistance can be given to all who need it.

We ask the cooperation of both students and faculty members in this emergency change of help. We know it is inconvenient, but there seems to be no other way to solve the problem.

It would help the Dean of Women considerably if there were volunteers for suspension of N.Y.A. work for the two months.

NO PEP TALK REASON FOR STATE LOSS?

By Jim Martin

San Francisco State's Golden Gater, plastered with the mud of three defeats and humbly waving the sprig of a single victory, takes leave of its gridiron wars this weekend and seeks respite of seven days' rest to gather together the tattered remains of what was a great pre-season squad.

Chawed in the leg by the San Mateo Bulldog; kicked in the right spot by a Cal-Aggies Mustang and butted around a bit by a JaySee Ram, the Gater is a picture of dejection with the one ray of hope being a victory over Sacramento J. C. to make the football season the success for which it was intended.

Of course, of all the bitter pills to take, the defeat at the hands of the J. C.'ers packed the most quinine. Just why the Golden Tide was turned into a mountain stream literally dripping with weeping willows is still a matter of conjecture, but I think I have the answer.

FARMER TALKS

The story begins in the locker room of the State squad just before the Gater-Ram grid classic of yesterday. Coach Dan Farmer, who is no softie in his ways of speech, was telling the Gater iron men off-heard tales of how the public at large thought little of what was termed a State team.

By referring to the 8 to 1 odds on the Rams at the time and by repeating equally insulting remarks, Farmer put his tremendous bulk behind a pep-talk that still rings from the walls of Frederic Burk. In fact, the Gaters became so incensed that during the walk to Roberts Field, innocent pedestrians took refuge from the ominous procession by hiding in the shadows and retreating up dark alleys.

What happened on the field that night remains a phenomenon to this day. A supposedly weak Gater brushed aside the futile efforts of a supposedly strong Ram and sent it "home" with whatever tail it has dragging between its legs. An inspired State squad was what really did the trick.

JUST ANOTHER TEAM

This year the scene was very much the same except for the pep talk. The Gaters were just as strong if not stronger than the Powell St. Mountain Goats, so Farmer dispensed with the pre-game oration as an unnecessary evil.

This might be the answer to the folding act put on by the Gaters once the enemy goal line is in sight. Lacking an inspiration, they are just another team.

Campus Character Comments Candidly Concerning Football

By Charles Maurer

Whitherest did this magnetic game, "Football" come from? Well, I'll tell you. Football was inaugurated on Christmas Day 1107 B. C. (before the crash!) in Cairo, Egypt. The natives were celebrating the holiday by eating each other up. Naturally the result of cannibalism is about fifty skulls per every one hundred participants. After the feast and the fun was over, the Chief Pharaoh tossed a skull from off the top of a pyramid and his subjects, trying to impress him, fought for the possession of the horrible thing. The first use of the expression, "first and ten" was derived from the idea of the first Egyptian who got the skull bounced off his own in the first ten minutes of play.

PUNY PUNS

"Pass" is not what you make at a girl, but comes from the colloquial custom of passing out when you were konked with somebody else's skull. "Tackle" comes down from the mummy wrappings which were strewn over the desert as a result of the conflict, it sorta looked like fishing tackle. (I admit that's a little far-fished!) The pyramids were the original bleachers. . . "Helmet" . . . just an expression, for instance, "The helmet the referee—play dirty!" "Wing back" is the result of the demand of a player to stop the game to get his human "wing" back so's he can finish his cannibalistic breakfast. "End" . . . meant death . . .

Football, as it came to be called because it was a miracle if you had a foot to "bawl" about after the game, became universal . . . The Farthest Western Conference then consisted of Cairo, the Afghanistan, Congo, Tokio and Warren, Ohio (my home-town). It's really relatively simple. In the modern day the game is played in bowls, at night, at 118 in the shade, in snow, hail, rain or mud. Thank you, morons . . .

A. M. S. Plans Dance, Smoker

"Where there's smoke there's fire!" Using this age-old adage, the up-and-coming AMS Smoker promises to hold plenty of fire. Daryl Hopkins, president of the AMS, has not made public any plans concerning the aforementioned smoker, but according to Ol' Man Rumor this event will top that of last year.

Although the Smoker plans are still a secret, the next AMS meeting will take place on Thursday, October 28, at 11 o'clock in Annex B2. Featuring the "durable duo," (hot dogs and ice cream) Daryl promises an extensive and outside line of entertainment. This rendezvous will be the second in a series of meetings to be held every three weeks, with a cordial invitation extended to every man on the campus to attend and partake of the All-American tid-bits besides viewing an All-Around group of entertainers.

UNHEARD OF ELEVEN TAKES GATERS; 14-6

By DAVE SCHUTZ

If anyone has ceased to believe in miracles, let this individual come forward and gaze, if somewhat in amazement, at the fact that Tuesday noon on the Upper Field, the Golden Gater intra-mural gridders were thoroughly beaten by a score of 14-6 by an unheard-of Rambler eleven, much to the surprise of the fifty, or so onlookers who had gathered in expectation of seeing another Publications outfit ride the victory wave.

Little "Scooter" Marder, diminutive halfback on the varsity squad, led the Ramblers to their impressive win. Marder scored the first touchdown of the game on a pass that carried almost the entire length of the field. After a pass from Jim Martin to Frank Schwass had gone fifty yards for the Gaters lone score, Marder faded back and hurled a short lob over the goal to one of his teammates to clinch the contest.

Defensive play of Stephens of the Ramblers, and Charlie Maurer of the Gaters featured the game which produced the most thrills and the highest score of the season.

MORE GAMES

Today at noon, the Has-Beens tackle the Remains in the first game for either of these squads. Tomorrow the Rover Boys, tied by the Block "S" last week, meet the Purple Shirts. A loss for the Rover Boys will knock them out of contention, but a win will put them right in the thick of the Division I race. At present it appears that the classiest squads are in this division: the Bears, Block "S", and Rover Boys, causing this feeling.

The Campus Characters have been declared ineligible, and as a result, the opponents who are scheduled to meet this team will win by default.

MORE SCHEDULE

Following is the schedule for next week: Monday, Block "S" versus Week's Men; Tuesday, Gaters versus Purple Speedsters; Thursday, Has-Beens versus Ramblers; Friday, Rover Boys versus Bears. Managers are requested to take note of these contests and to inform their teammates.

As has been the custom in past years, an all-intramural football squad will be picked at the conclusion of the season. Those participating in the selection will be Lou Glavich, referee for all the games; Al Luntz, assistant intramural manager, and yours truly.

JUNIOR VARSITY GATHERINGS Flying "As", 45s Start Soon

In spite of ominous rumblings in the Far East, heavy taxation and old King Football, State's Junior Varsity Basketball squad will begin practice about a week after State's gridders abdicate. Under the able leadership of George Mirande, coach, the Salvation Army Gym will once more resound to the hoarse yells of embryonic basketballers.

Last season twenty-five fellows turned out for the first practice and it is expected that double that will

STATE'S SECOND, THIRD STRINGS TANGLE WITH THE SAN FRANCISCO BOY'S CLUB

Down In Front

By ED. SMITH

So, it was a dream come true on October the first around 10:30, or thereabouts, that the Golden Gater took Acker's litter of kittens, or more formally, Chico State Wildcats, but as to certain reason they will be referred to as kittens, being very small in some departments. Size and weight are not included. 13 to 12, and Acker's chin hit the floor, remaining there for a very definite period of time. Poor guy, he's never had San Francisco State gridders beat his poor, li'l kountry kids. Tsk, Tsk Anyway, It will be a lesson to him that all coaches sooner or later must go through. Once the skids are greased it is very hard for people to change their minds.

HOT STUFF

It seems that Tom Thorpe, who is editing this rag (besides his own Thursday sheet), until I get time too, wrote an article on "Keeping Time At A Game" in his colyum, "Time Out." Said Thorpe missed one point which is very important . . . wind the watch, which, believe it or not, really happened. Thorpe was all hot to time the Chico game when he cum-a-runnin' to Dan Farmer. "The damn thing won't work, Dan, you see if you can fix it." Whereas, said Dan wound watch, and Tom stood there with his teeth in his mouth, and hair on his lip. Speechless. Need more be said?

MORE STUFF

It seems there is a guy named Cronin out for the football team. Time passes on. The nite of the Chico game Cronin was called to go in to the game by Hal Harden. Said Cronin got up and pranced up and down the side lines all set to go into the game. BANG! He ran smack dab into Chas. Iago. Consequence? The worst sprained ankle in the history of any griddier at State. Such it goes.

OZZIE'S HUMAN

This Ozzie Osborn, self-styled quarter back of the football team, was getting the team's goat with his wise (?) cracks. On one play Bud Glasgow, center, missed the signal and the ball hit Ozzie's index finger. Ozzie moaned, and beefed about spraining his finger and that it hurt. Ah, the team said, here's our chance to get even with this guy. And so for about 15 minutes they poured it to poor Ozzie. Ozzie just couldn't stand it any longer and pipes up, "Golly sakes, fellows, I'm only human after all!"

BOYS' CLUB TEAM COMPOSED OF FORMER HIGH SCHOOL AND COLLEGE PLAYERS; TENTATIVE LINE-UP FOR GATERS SET

By FRANK SCHWASS

This being the "Week-of-the-Great-Sleep" as metropolitan sports-writers so picturesquely term it, the Golden Tide takes in a breather game when it tangles with the San Francisco Boys Club eleven Friday night at Roberts Field. The Boys Club team is not being sold short, but it is impossible to conceive of them emerging victorious over the irate Gater. Past seasons have seen weak State teams taking the Mission District outfit in tow and this year with a strong local eleven the Club should possess nothing more for their pains than good experience and a goose-egg.

Pugilists' Practice Tues. and Thursday; Colleges Contacted

Challenges were sent to seven colleges today by Carl Yeager, Varsity boxing manager.

The boxing team will probably meet S. F. J. C., U. S. F., Cal-Aggies, San Mateo J. C., Santa Rosa J. C., Modesto J. C., and Sacramento J. C. and it is possible that other schools may be added to the schedule.

Under the capable guidance of Dan Farmer, Maury Schwarz and George Paiva, State's leather-pushers are rounding into great form. Practice sessions are held each Tuesday and Thursday at noon. Many members think it insufficient and have been practicing in their spare time.

The date for the boxing show has been definitely set for Monday, November 15. This event will help to determine the positions and classes the members will have on the team.

MEN AND WEIGHTS

The team, which has been increased to 26 men, includes the following: Elmo Randall, 108 lbs.; Al Barrass, 118 lbs.; Bill Murphy, 122 lbs.; Jim McCoy, 129 lbs.; Neal Martin, 129 lbs.; Jim Martin, 130 lbs.; Conrad Neur, 130 lbs.; Hal Delma, 135 lbs.; Frank Dilzo, 135 lbs.; Jack Meehan, 147 lbs.; Ken Johnson, 155 lbs.; Joe Penberthy, 155 lbs.; Gordon Thomas, 155 lbs.; George Thayer, 158 lbs.; Barney Nichols, 160 lbs.; John Pichotto, 160 lbs.; John Cronin, 161 lbs.; Bud Werner, 165 lbs.; Maury Schwarz, 171 lbs.; Homer Erwin, 175 lbs.; Frank Lampe, 180 lbs.; Ed Hagerty, 180 lbs.; Frank Lupe, 196 lbs.; Bill Stein, 200 lbs.; Frank Jackson, 205 lbs.; Roy Laugesen, 205 lbs.

Any student with pugilistic ambitions is urged to sign up for the team.

LID-LIFTER

Editor the Golden Gater:

San Francisco State might be a bona-fide college with a student body, and athletic organization, and other what-nots that go to make up an institution, but the fact does not seem to mean much to similar organizations of the University of San Francisco and Santa Clara.

The failure of these two colleges to recognize S. F. State student body cards at last Sunday's football game seems to indicate that something is lacking in the Executive Board and that the Associated Student Body of S. F. State functions in name only.

Such a situation has a definite aroma that should be wiped out with an immediate demand for recognition from the two universities mentioned and others in the bay region area.

JIM MARTIN, Box 1213

The Clubmen have a line averaging one-eighty-five and a backfield twenty pounds lighter. An All-City end from Balboa Hi, Bill Fromme by name, occupies a wing position and is reported as being a fast, clever, pass receiver. Mike Dougherty, former U. S. F. frosh star, will hold down the pivot job for the visitors and Ed Regan, opposition captain, will probably star on defensive play. The Clubmen will employ the Warner system, using the double-wing back formation, and are expected to confine their attack to deception plays and passes.

A tentative line-up for the Gaters finds Lyon and Wheeler on the flanks, Hollaway and Pantages at the tackle spots, King and Fisher guards, and Bud Glasgow in at the center job. The Gater backfield will probably start with Osborne at quarter, Chandler and Machi halves, and Collins at full.

The San Francisco Boys Club team is composed of former high school and college players who have the fever of the game in their blood and can't get rid of it. The B. C. plant is located on the south-east corner of 21st and Alabama streets in the heart of a crowded residential and manufacturing district. It is not the intention of a sports writer to branch off haphazardly into the realm of sociology but we believe that by giving the Boys Club this game we are aiding the community in its efforts to provide recreation for those in unadvantageous localities. A football game with an accredited college team provides an incentive for the attainment of proficiency in sports.

This game is expected to give those men on the squad who have not had the opportunity to get into the game thus far, an opportunity to play under fire with some rough, tough, opposition. It is possible that, were Coaches Farmer and Harden to put their big-guns into the game, State could emerge with the final score looking like the war debt. It is possible, also, that the Clubmen may have a passing attack that will confound the Gaters. But it is almost certain that the mainstays of the Gater squad will give way to the lesser lights and, who knows, there may be many a bushel lifted Friday night at eight.

Sigma Rho Gamma
Initiates Seven

Seven new members were initiated by Sigma Rho Gamma at an informal ceremony conducted in Golden Gate Park, Saturday afternoon, October 9. The girls were garbed in eccentric costumes and were forced to do many stunts which proved to be as amusing to the members as to the sightseers at the Park.

After the initiation, refreshments were served by President Lillian Johnson, at her home. She was assisted by the initiation committee, headed by Almarie Porteous, and consisting of Claribel Bley and Lynn Hiney.

The seven new girls put through their paces were: Edith Stevens, Corinne Paw, Corienne Makintosh, Doris Thompson, Violet Chase, Artis Bronson and Edith Eldridge.

A formal initiation tea will be held at the home of the club's sponsor, Miss Cecilia Andersen, on Saturday, October 23, at 2 p. m. All members are urged to attend this meeting, and must sign up with either Lillian Johnson, box 1124, or Almarie Porteous, box 141.

K. P. Club Dines
At Lotus Bowl

Senior Class Plans
For Trampodan Ball

Attempting to reclaim the success that was theirs two years ago, Bud Decker, senior president, reported that the Senior Class will present another "Trampodan Ball."

"I feel that our class, in sponsoring the 'Trampodan Ball' two years ago gave the most successful dance in State's history," stated Decker. "Many who attended the Ball will be glad to hear that we are repeating it, the plans so far are that the dance will be held on the campus some time in December," continued Mr. Decker.

Further plans for the Senior Ball which has been tentatively scheduled to be held on board ship in the San Francisco Harbor will be discussed at the next meeting of the class.

P. E. Club Meets

Miss Holtz, newly-elected sponsor for the P. E. Club, will be guest of honor tonight at the club's regular meeting from 7 to 9 o'clock in the Women's Gym. Later in the evening there will be recreational activities.

EXECUTIVE BOARD

October 11, 1937

The sixth meeting of the Executive Board was called to order at the home of Miss White—7:45. Roll was called, and those absent were Miss Bolander, Miss Stadelman, and Mr. Hopkins. The minutes of the previous meeting were approved as read.

COMMUNICATIONS:

A communication was received from San Francisco Police Department acknowledging our recent letter requesting use of diagonal parking. It will be acted on immediately.

A communication was also received from the American College Publicity Association asking us to renew membership.

COMMITTEES:

Mr. Carrouthers reported that Soph Strut bids would go on sale in a day or two.

Mr. Delma announced the recent State-J. C. Rally a success except for the painting of parts of the field by J. C. students. This having occurred last year also, Mr. Delma suggested that our joint rallies be discontinued.

OLD BUSINESS:

Mr. Decker asked for authority to see that only Sacramento excursion tickets be sold at present from the permanent ticket booth, which has been built by Mr. Bale. Other classes and organizations will be given opportunity to use the booth following this affair. Mr. Decker also announced that the Chronicle is offering a \$2.50 ticket to the Sacramento excursion for one six month subscription to their paper. Subscription blanks can be obtained

through Mr. Martin and will be turned in October 30.

A change of schedule may have to be made for the Sacramento trip, due to a conflicting Artist's Ball which has been set, by Sacramento J. C., for Nov. 5. These complications will be straightened out pending a reply from the Junior College to our letter.

It was announced, as a result of an interview with Dean Cox, that the Athletic Department will donate \$25.00 toward sending the band to Sacramento. President Smith suggested that the student body make up the difference.

A motion was made and seconded that the student body pay the balance of the band's expense to Sacramento. Motion passed.

Mr. Decker suggested an "On to Sacramento Rally" (to raise some of the money needed), charging ten cents a person.

Following a discussion of the Epsilon Mu request last meeting, it was decided that Miss Fertig be asked to attend the next board meeting to clear up the matter.

NEW BUSINESS:

A motion was made and seconded that we send \$5.00 to rejoin the American College Publicity Association. Motion passed.

As a matter of formality, President Smith pointed out that, according to the constitution, Mr. Laugesen is illegally holding his Executive Board position as a class president, since he is also on the Board of Publications, this organization already being represented on the Executive Board. A letter will be

sent asking Mr. Laugesen which office he wishes to relinquish.

The Alpha Phi Gamma dance was reported to have cleared about \$114.

Mr. Worth broached the idea of a weekly broadcast from the college in connection with station KGGC, which would enable us to announce games, dances, and give talented State students opportunity to perform. Mr. Worth was officially appointed to investigate possible costs of such an undertaking, to be assisted by Mr. Zech and Mr. Ed Smith.

A motion was made and seconded that the five yell leaders be sent to the Sacramento game. Motion passed.

A motion was made that the wearing of blocks, emblems, etc. of schools other than State be restricted and brought under control of the Board. Motion failed.

It was suggested that rather than go on record as opposing the wearing of such blocks, etc. that each member of the board take it upon himself to discourage any such action observed.

There being no further business, the meeting was adjourned at 8:30 p.m., to be followed by the Executive Board party.

Respectfully submitted,
EDITH WHITE,
Secretary.
